For two years, five London Schools Excellence Funded research and development programmes, involving over **250 schools** across the capital, have been improving **learning, teaching, progress** and **leadership** through lesson study.

School Leaders and Teachers: - from primary, secondary, and special - share what they have learned and how they have changed their practices, through highly interactive workshops focussing on:

- **Leading Lesson Study**
 - Using Lesson Study to:
 - **deepen learning** and improve progress
 - **develop assessment, teaching**, maths, English and more
 - **create and mobilise practice-knowledge** across classrooms, schools and networks
 - **Capturing the impact of Lesson Study**
 - **Using reflective practice and video in LS to improve teacher learning.**
- **Amazing £110 per delegate.** Book at conferences@camden.gov.uk
